Week 10:

DO THIS TO REMEMBER JESUS

PLANNING YOUR WEEK:

2

Monday or Tuesday

BIBLE TIME

3

FAMILY TIME

Memory Verse:

1 Corinthians 11:26, "For whenever you eat this bread and drink this cup, you proclaim the Lord's death until He comes."

Bottom Line:

Communion helps us remember what Jesus did for us.

1. CHURCH TIME

Jesus told us to take communion on a regular basis. The juice represents His shed blood for our salvation and the bread represents His broken body for our healing.

2. BIBLE TIME

READ:

- Mark 14:12-25

MAIN POINT:

Jesus told us to receive communion on a regular basis to remember Him and to proclaim His death. The juice represents Jesus' blood that was shed for our sins. If we have sinned, it helps us to forgive ourselves when we remember the price Jesus paid for our sins. The bread represents His body that was broken. Jesus' body was broken so that we can stay healthy. If you need healing in your body, it is a good way to receive healing. Just receive communion and begin to thank Him for your healing. Communion is a time to teach our kids about Him. Just like Passover was a time for Jewish families to teach their kids about God. (Exodus 12:24-27)

QUESTIONS TO ASK:

1. What two things did Jesus use as a reminder for us of what He did for us? (bread and juice)
2. What does the bread remind us of? (His body was broken for our healing)
3. What does the juice remind us of? (His blood was shed for our sin)

3. FAMILY TIME

MAIN POINT:

Communion is a way that we can remember what Jesus did for us.

READ:

1 Corinthians 11:26

WHAT YOU NEED:

A loaf of french bread and grape juice (you may want to have white grape juice)

WHAT TO DO:

- As a family, take communion and walk everyone through each phase.
- This will give you an opportunity to answer any questions your children may have.

QUESTIONS TO ASK:

1. When we take communion, there are two things to think about. What are they? (healing and salvation)
2. If we need healing in our body, what do we do? (when taking the bread, thank Jesus for His body being broken for our healing)
3. What if there is sin (disobedience, etc.)? (when taking the juice remember that Jesus' blood was shed for our sin)
